Creative ways to add storage to your bathroom

Wall-fixed storage

Everloc Screw Suction

This new generation design in suction uses a powerful vacuum seal to attach to your wall and is unmatched in strength.

Powerlock Screw Suction

These high quality acrylic storage solutions will easily attach to most non-porous surfaces with a simple push and twist.

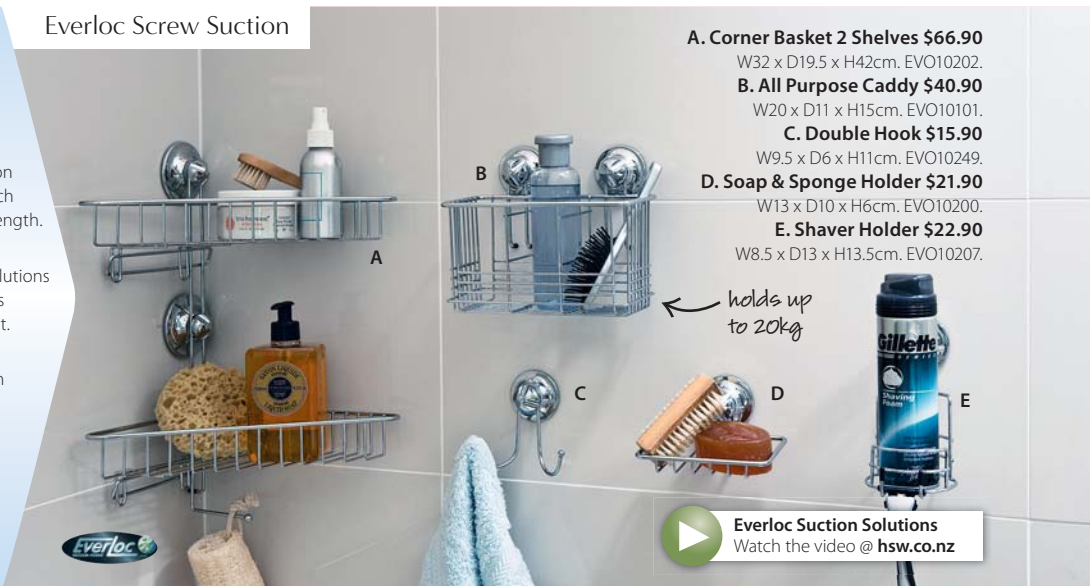

York Suction

Installation couldn't be easier as each component in this range adheres to smooth, flat surfaces.

Stainless Steel Suction

Neat and petite, add extra storage where you need it with the classic stainless steel suction range.

Everloc Screw Suction

Freestanding solutions

Over the Toilet

Our range of over the toilet storage racks are a neat way of creating space just where you need it.

easy-build

As the name suggests, this range is simple to assemble. Made from triple coated chrome, it's ideal in the bathroom.

elfa freestanding

Create one-of-a-kind storage with elfa® freestanding. It's flexible, expandable and you can customise to your needs.

Resin

Made from non-porous resin, these come in many shapes and sizes. See page 58 for more options.

Show Off Your Laundry

Time after time the unassuming laundry has had to fight the kitchen and bathroom for attention. So, we're putting a spotlight on the laundry to help you multiply the utility of this everyday room, whatever the size. For more on the Swedish designed elfa® shelving system, see page 74.

Watch how we did it!

With the right planning and organisation, your laundry can be transformed from a simple utility room into a high performance laundry. Visit hsw.co.nz to see how.

Large laundry

It's all about work flow. Why settle for just doing the washing, when you can pre-sort, wash, dry/drip-dry, fold, iron, distribute and mend!

The elfa® range is accommodating to your space, needs and budget.

NEW SOLUTION

Bedroom sanctuary

Cut the clutter in your bedroom and be rewarded with a retreat you will look forward to escaping into each night.

elfa In-Wardrobe Custom Unit

Fully utilise space with an elfa® wardrobe unit. Plan in space for your short and long hanging, and even shelves for a clear store shoe library. Space on the higher shelves becomes useful archive space. See the elfa® section of this catalogue on p74 for more inspirations.

Unit as shown **\$1,635.50** See plans online. ELF02004.

elfa Bedroom Wall Custom Unit

Keep the things you love most around you by using wall space around your bed to create an organised haven. This unit cleverly provides 2 bedside tables including drawers as well as ample shelving for photos, books and more.

Unit as shown **\$4,015.90** See plans online. ELF02019.

For this elfa® walk-in wardrobe, see page 74

The Swedish designed elfa® shelving system is ideal inside wardrobes or full walk in wardrobe installations. For more ideas see page 74.

Turn any space into useful
and creative storage with
Swedish designed elfa®

Clever ideas for extra storage

1 Under the bed

Claim the space under your bed with these practical storage boxes. They're great for maximising space and keeping items neat, tidy and dust free.

▲ **Easi Store Underbed Shoe Box \$49.90** Divided compartments for 6 pairs of shoes with locking lid, on wheels. Plastic. Clear. W84.5 x D38 x H15cm. PJ066. Available Summer 2010.

▲ **Easi Store 45L Underbed Box \$43.90** Ideal for toys, linen, photos and more. Lockable lid, with wheels and stackable. Plastic. Opaque. W45 x D84 x H17cm. PJ045.

2 Freestanding wardrobe

There's no need to go to the expense of a built-in wardrobe with elfa's freestanding custom solution. It can even be reconfigured or moved as your storage needs change.

▲ **elfa® freestanding Wardrobe Unit** If you need a little extra hanging space in the spare room, you can assemble this sturdy unit in minutes. It can be customised to your own needs with additional drawers, shoe racks or shelves. Unit as shown **\$1,183.50** ELF01002.

▲ **Additional 3 Drawers \$490.20** See plans online.

3 Simple cupboard transformation

Ever wasted time rummaging in your cupboard? Install elfa® baskets on "easy-glider" tracks to tame your cupboard into orderly groups and fully utilise your shelf space.

elfa® Easy Glider™ System

These baskets literally rescue your cupboards making rear shelf space easy to access. The Easy Glider™ combinations shown here are:
